## Countdown to Ramah Day Camp 2026: How do I share information about my camper?

---

Dear Ramah Family,

At Ramah Day Camp we value the collaborative relationships we have with our camper families. Our year-round team, along with our summer staff, work hard to create a successful camp experience for each camper - and that work happens in the months leading up to the start of camp.

As we prepare for the summer, we ask that you complete the Camper Care Intake Form and Family Contact Form, now available in the Forms section of your [CampMinder account](#) or in your [Campanion app](#). Our approach to camper care entails looking at each child holistically, and learning about the specific strengths, challenges, and needs of every individual camper. The forms invite you to share information about your child related to the following topics:

- Previous camp experience
- Family circumstances
- Mental & developmental health
- School experience
- Social and emotional well-being
- Self-care, hygiene and health
- Communication

We ask that you complete these forms **no later than March 31st (all forms received after this date will incur a \$100 fee per family)**. This gives our Camper Care Team time to process the forms prior to the summer, and partner with you to provide the proper support necessary for your children.

We are committed to using this information in the most sensitive and confidential ways to set your child up for optimal success at camp. Thank you in advance for your partnership in helping us provide a much-needed summer of fun, activities and friendship!

If you wish to discuss something further or have any questions or concerns not covered in the form, please [schedule a time to speak with Dina](#).

Thank you,

**Dina Greenberg**  
Director  
Ramah Day Camp

**Jacob Cytryn**  
Executive Director

**Robin Anderson**  
Director of Operations
